

ERASMUS PLACEMENT OFFERS

AUSTRIA

1. PRIVATSCHULE KREAMONT, AUSTRIA (St. Andrä-Wördern, close to Vienna)

An alternative school for children from 6 to 14, following the principles of Maria Montessori

Description of activities the student will be involved in: Assistance to the children, teaching in small groups

Duration: To be negotiated

Working hours per week: 38 hours including preparation

Teaching language: English, German, mother tongue. Basic knowledge of German would be fine, but not essential.

2. NEUE MITTELSCHULE ST. MAREIN BEI GRAZ, AUSTRIA

School for pupils 10 – 14(15), they are educated in all levels. St. Marein is located in a rural area near the city of Graz. There are some farmers and small traders. But most of the inhabitants work in Graz. There are no pupils with migration background, but there are some pupils with special educational needs in every grade.

Description of activities the student will be involved in: Help with the configuration and the execution of residential visits, presentations of all sorts of projects, presentation of the assistant's home country, traditions etc., communicate with the pupils, better understanding between different cultures, etc., teaching English or German, getting to know Austria and our traditions, culture, language, etc

Duration: 3 – 10 months

Working hours per week: 12- 15 lessons

Oral and written language skills: English or German

3. VIENNA-BUSINESS-SCHOOL, HAK/HAS MÖDLING, AUSTRIA

Vocational or technical secondary school (EDU-SCHVoc) / Berufliche oder technische Schule der Sekundarstufe (EDU-SCHVoc)

Vocational education and training (VET), a business college which lasts 5 years, in the last year pupils have to take a school leaving exam (Reife- und Diplomprüfung) that opens up access to university and authorizes them to start a business. In the first year pupils can choose their second language (English is obligatory) among French, Italian and Spanish. In the third year they have to choose a specialization subject among: Management, Controlling or Net and web. It's a private school which belongs to the group of the Vienna Business School (VBS). Therefore we carry out a lot of projects with Viennese companies. All pupils have their own school e-mail address and from the second class they work with their own laptop during the lessons. All classrooms are equipped with projectors.

Function of trainee: Italian language assistant

Teaching subject of trainee: Italian

Description of activities the student will be involved in: We would be glad to welcome an Italian assistant at our school during the next school year; the Italian teacher in fact undertakes various projects in order to improve the language and intercultural skills of the

students. Therefore the main task of the assistant will be to take part in the Italian lessons (all classes from the 1st to the 5th) and to support the Italian teacher with several projects. The assistant will take part in the Italian lesson in the training firm (project "Italian in the training firm"), he/she will help to prepare the visit of our partner firms and the school exchanges. Besides, the assistant will be involved in our eTwinning project and will contribute to the preparation of those students willing to take part in language contests or to obtain an Italian language certificate. In addition, the assistant will have the chance to organize conversation courses for the students. These opportunities will allow the assistant to gain his/her first didactic experience under the supervision of a tutor. Assistants are more than welcome to take part in all school activities (trips, training courses, open learning projects and so on) and to suggest projects they would like to carry out (language course for colleagues, cooking courses, theatre plays, lessons about Italy – its economy, traditions, etc.)

Duration: School year: 1st September 2014 – 26th June 2015

Working hours per week: 30-40 hours

4. VOLKSSCHULE GRAZ-ST.PETER, PRIMARY SCHOOL (EDU-SCHPRM) / GRUNDSCHULE (EDU-SCHPRM), GRAZ, AUSTRIA

The primary school St. Peter has got 10 classes. We teach pupils aged between 6 and 10 years. Our school has a focus on music. So every year we have one music class. This year we started with a CLIL class. So that's the reason why we are looking for an English erasmus student.

Function of trainee: teaching assistant in a second form in primary school

Teaching subject of trainee: It depends on the skills of the trainee. Possible subjects (CLIL lessons – to teach content through the foreign language): PE, arts, maths, science, music, english

Duration: 2 months – 1 year, start: September 2014

Working hours per week: about 18 hours in class, 14 hours preparation work and organisational activities

Teaching language: German, English

5. BG/BRG GMUNDEN, AUSTRIA

www.gymgmunden.at

Our school is frequented by apted pupils. During the last years the number of migrant students expanded. We have partnerships with Germany, Hungary, France and Italy including interchange of students and teachers. Further Comenius projects with Sweden, Lithuania and Italy helped to develop the european communication and advance cultural assumptions. We support cultural (choir, exhibition, concerts), sporty (equestrian, skiing) and linguistic (language competition) activities. We are cooperating with language assistants for years from Gijón, Ceuta, Mallorca, Barcelona, Budapest and Tarragona.

Description of activities the student will be involved in: assistant for language teaching: Spanisch, Italian and French, language teaching for pupils (15-18 years old); conversation and teaching preparation

Duration: from September until June

Working hours / Weekly working hours: 12-16 hours/week

Teaching language: English

CANARY ISLANDS

8. **PUBLIC EDUCATIONAL INSTITUTIONS IN THE CANARY ISLANDS** (i.e., Primary, Secondary, Vocational Training, Adult schools and Official Schools of Languages belonging to the Regional Ministry of Education in the Canary Islands Government)

The host institutions are public schools located throughout the seven islands (Gran Canaria, Tenerife, Lanzarote, La Palma, La Gomera, Fuerteventura and El Hierro). These are public institutions providing Primary, Secondary, Vocational Training, Adults schools and Official Schools of Languages. There are different project running, depending on the school. CLIL, European programmes of education, multicultural, health, integration are some of them to name but a few.

Application process: Students should send their CV and application letter, explaining their motivation to do a placement at a school.

Languages and level of competence required: They depend on the requirements of a specific school. Generally, schools require the students to have one of the following levels minimum:

English or French - B1

Spanish - A2

Start Date: 2014/2015 academic year

Duration: 3-9 months

Working hours per week: Full time

CROATIA

9. ELEMENTARY SCHOOL SESVETSKA SOPNICA, ZAGREB, CROATIA

Description of the school: there is class teaching, with the only one teacher and from 5th to 8th grade we have subject teaching. This school-year we have three classes of the 5th grade, three of the 6th, four of the 7th and three of the 8th. The school is located in immigrants settlement and there is Gipsy national minority. The school-building is new, built 2007 and attractive from the architectonics point of view.

Description of activities and tasks: We had Comenius assistant twice and we would like to have it again. So it would be like that but in Erasmus +. That means: be present on our regular lessons, make his/her own lessons about the culture of his/her country, visiting some educational or cultural institutions in surrounding if he/she wants etc. Any other idea is welcomed – we will discuss it and we can together make a concept of work.

Duration: Doesn't matter (1-45 weeks)

Working hours / Weekly hours: Doesn't matter (1-20)

Oral and written language skills: Doesn't matter.

Help with finding accommodation

FRANCE

10. MONTS DU LYONNAIS VOCATIONAL HIGH SCHOOL + LYCEE DES HORIZONS, Lyon, France

www.lyceedechazelles.com

Monts du Lyonnais vocational high school is specialized in the fields of BTECs in business and marketing, accounting, logistics, and fashion. It welcomes 260 pupils from 15 to 20 years old.

GREECE

17. PRIMARY SCHOOL OF THESSALONIKI, Greece

<http://primarydiary.wikispaces.com/>

24th Primary Public School is situated in the center of Thessaloniki. Thessaloniki is the semi capital of Greece therefore the 2nd most populated city. Our students' population is 117. We also run a kindergarten class consisting of 12 children. We have children, suffering from Down syndrome and difficulties with learning.

Description of activities the student will be involved in: The student will take part in projects and pupils' work groups, promoting team spirit and language interchange.

He/she will attend and support lessons by specially trained teachers in separate classes for pupils with special needs. Our school will focus on an exchange of information on culture, teaching theories and practice. An innovation culture shall be developed through interactive learning environments some of them being the use of the internet or skype making pedagogical use of the interactive whiteboard in every classroom. The student will be engaged in projects with an innovative European dimension enhancing thus the intercultural competence of students and teachers of the school. Together we will develop and implement programs such as Erasmus+ and e-Twinning. We can share ideas, cooperate in

finding partners and participate in and work on projects, improving learning experience in this way.

There are no administrative tasks involved.

Duration: 3 months 15th September/15th December 2014

Working Hours/Weekly Hours: 5 /25

18. PRIMARY SCHOOL OF THESSALONIKI, Greece

105th primary school of Thessaloniki is the largest school of the city of Thessaloniki, with 400 students and 35 teachers. It operates with 18 classes (three in each grade, grade 1 to grade 6) with students aged 6 to 12 years old, 2 integrated classes (with 30 students with learning disabilities) and 3 classes in the afternoon school.

Description of activities the student will be involved in: The assistant will be involved mainly in environmental education, foreign languages, Mathematics and extra-curricular activities. He/she might supervise a class for a short period of time if a teacher needs to make a trip to the office, work with the students in most need of attention in the classroom, give them extra time and attention that might be difficult to provide when a class is large or class abilities exhibit extraordinary range, or to work with a single student, usually one with significant behavioral issues or disabilities. He/she will assist teachers in the management of pupils and the classroom acting as a support in many cases and contributing to the delivery of teaching and tutorials providing personal academic support and mentoring for groups of students. The assistant will make a presentation of his/her country, regarding the education system, the culture, the social life etc. to our school community (teachers, parents, pupils). Our school is quite large, so the assistantship will not be shared with other institutions even though the assistant can visit neighboring schools and or other educational institutions on his/her willing. The assistant will have the opportunity to teach /present some elements of his/her culture and mother tongue to our pupils.

Duration: 3 to 6 months

Working Hours/Weekly Hours: 8:10 a.m. – 13:15 p.m. /15-22

HUNGARY

19. PESTSZENTIMREI ADY ENDRE ÁLTALÁNOS ISKOLA, BUDAPEST, HUNGARY

Description of the school: This is a primary school with about 320 pupils in the age between 6 and 14. Our main profile is that we have lots of pupils with learning difficulties like dyslexia or dysgraphia. Pupils can learn either German or English. We can offer a one-day-program monthly like travelling with pupils into the hills of Buda or discovering beautiful and famous places in Hungary.

Description of activities and tasks: We would like to welcome an assistant who is able to teach pupils in/into German language. Primarily we prefer a native German speaker assistant who can give us a hand by improving pupil's foreign-language skills both oral and written. As we are applying for international projects (Erasmus+ K2), probably will our assistant take part in tasks in connection with it. He/she will teach some groups with 10-14 years old pupils. The assistant can be from any other countries with German studies.

Duration: min. 20 max. 30 weeks

Start date: 01.10.2014

Weekly hours: 15

Requested profile of the Erasmus student: An advantage is if he/she is a native German speaker or if he/she has a high level in German. His/her main task is to improve pupil's German language skills, so we prefer studies in the field of teaching German as mother tongue or English as foreign language. 1-2 completed years and creativity are requested.

Oral and written language skills: German C1 or C2 (native speaker) both oral and written. Advantage is English language skills on B2/C1 level. + Part of his/her tasks will be preparing exercises and presentations by computer so here is a high level of ICT-skills required.

20. SOMOGYI IMRE PRIMARY SCHOOL, ABONY, HUNGARY

Description of the school: Rural primary school – physical education faculty. Good atmosphere, friendly staff.

Description of activities and tasks: Teaching children (aged 6-15) in a playful way with lots of music, communication and games.

Start date: 1st September 2014

Duration: 1 term – Sept-December

Weekly hours: 20

Help with finding accommodation.

Requested profile of the Erasmus student: ESL – teacher training; Some teaching experience is an advantage; Can be a fresher; Fluent English

Oral and written language skills: Good command of spoken and written English.

NORDIC COUNTRIES
